

1 July 2017

On behalf of the School Board, and the St Emilie's Community, I take this opportunity to sincerely thank and congratulate Mr Stuart Munro for his dedicated service and astute leadership as the Acting Principal.

Our St Emilie's school community has continued to grow and flourish under Stuart's guidance, in Semester One. His measured approach and calm nature provides a great platform of support for our staff, students and families.

With Mrs Tania Thuijs' impending return in Term Three, our wonderful leadership team will be reunited to continue to strengthen the future of our school.

We hope that Tania has enjoyed her time with grandchildren and family and thank both Mrs Anne Aquino and Mr Stuart Munro for their efforts over the past three terms.

Sincerely,

Simon Harvey
