- _____

PARENT FEEDBACK, SIGNATURE AND DATE

In an attempt to make less of an impact on our environment, the PP Grid will be available on the school website and Google Drive only. Please **date and sign** your child's homework book to confirm all homework requirements have been completed. Thank you!

MIXED OPERATIONS WORD PROBLEMS - LENGTH

- 1. Zara just completed the 50 kilometre Mega Marathon in 5 hours and 50 minutes.**
 - a) If she started at 9.30am, what time did she finish?
 - b) How long did it take her to run each kilometre?
 - c) Assuming she ran at a steady pace, how far into the marathon was she at 12.30pm?

- 2. Levi drove his brother to the train station and then drove home again. Levi went back to pick his brother up and when he returned on the train and took him home.**
 - a) How far is the train station from Levi's home if he travelled 85 kilometres in total?
 - b) If petrol costs \$1.15 per kilometre, how much did Levi's brother owe him for petrol, if he agreed to pay for half the cost?
