

FROM THE PRINCIPAL

Week 8 Term 3 2021

Dear Families,

Thank you all for your efforts in dressing your children up for Book Week and well done on all you are doing to make reading a regular and really enjoyable pastime in your family home.

Thanks also for coming along to the family brekky and sharing in the excitement of being able to gather as a community. We really loved seeing you all!

As you will have read in the Weekly Reminders, we are seeking your support in completing an online School Climate Survey please.

The survey opens this Monday, 6th September and stays open until Thursday the 24th September.

A letter explaining more about what the survey is all about can be found here:

[School Climate Survey - Letter for Parents](#)

We really appreciate how time-poor families are, however if you were able to set aside 5-10 minutes in the next couple of weeks to do this for us, it would be very much appreciated.

A code will be emailed to you on Monday.

Many thanks everyone and happy weekend!

Warm regards,

Tania Thuijs

Principal
