Week 9 Term 3 2021

Dear Families

Thank you to those who were able to make it to the **House Field Events** last Friday - the children always appreciate your presence and there were some great individual results.

This Wednesday 15th September, is a busy day with our P&F meeting at 8.45am, **Open Night** from **4.00pm - 6.00pm** and then a School Advisory Council meeting at 6.00pm. The Open Night is a great way for parents to come along and allow their child to take them on a **mini tour of the classroom, library, Science room and Book Fair - in the Learning Hub.**

This Friday we are running our annual **House Athletics Carnival** here at school. All families will receive a program along with a FAQ's section early this week. The booklet will also be **emailed** and **posted on the School Website** under 'Messages'.

A reminder that we are seeking your support in completing an **online School Climate Survey** please. The survey opened last Monday, 6th September and stays open until **Thursday the 24th September**. A letter explaining more about what the survey is all about can be found here: [School Climate Survey - Letter for Parents](#)

Families are invited to consider **buying a book** from our **Book Fair** this year. Each year **some families also buy a book and donate it to the school library**, which is also amazing and appreciated! The commission from each book sale goes back into our P&F, ready to spend on our kids, classrooms and outdoor spaces.
