Year 2 Post Term 1

In Year 2 this term, we have been learning about how to describe objects with colours in Japanese.

We completed an activity where they incorporated art, reading, writing and speaking to create some colourful 3-D fish and then label and describe what colour as they have on them.

Below are some pictures of our completed results!

Below is a colour chart you can ask your children to teach you at home!

赤 あか Aka	茶色 ちゃいろ Chairo	紫 むらさき Murasaki	ピンク ももいろ Momoiro
