

日本語

Term 2 Year 1 Japanese Post

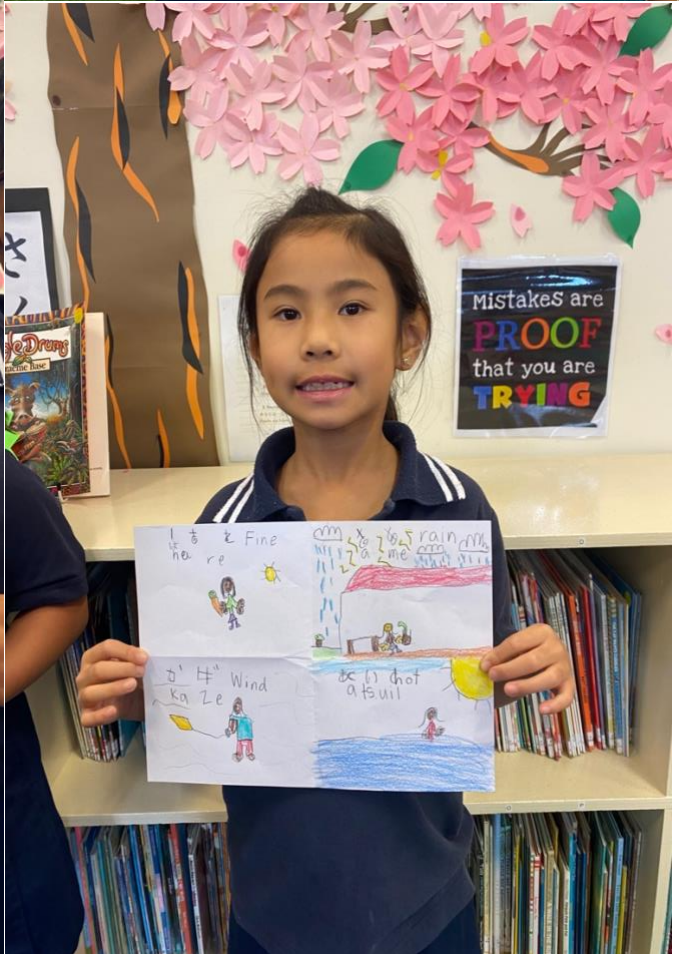

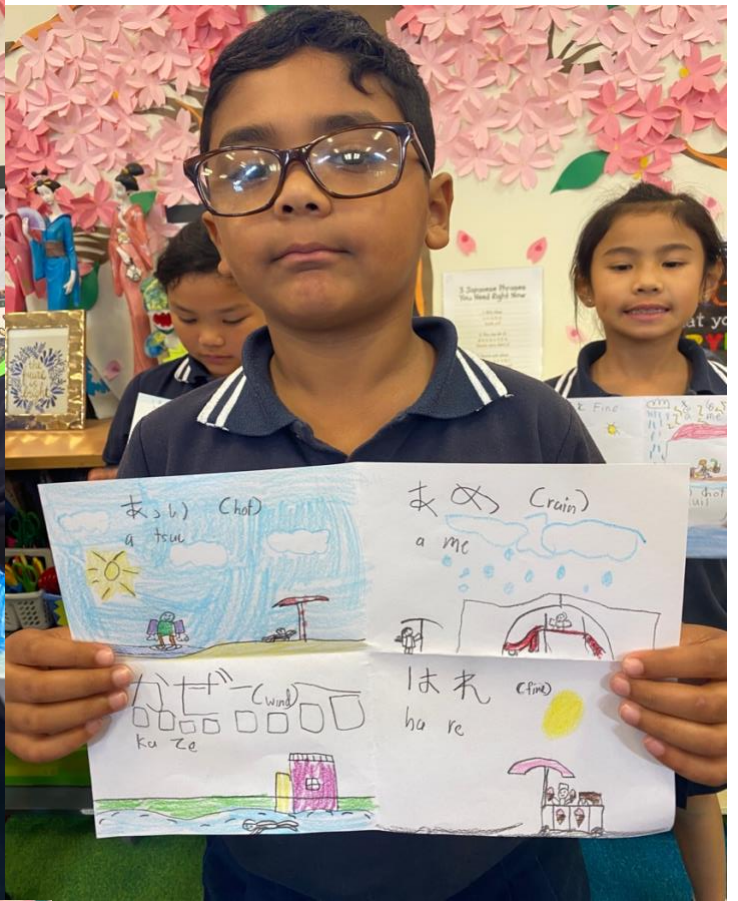

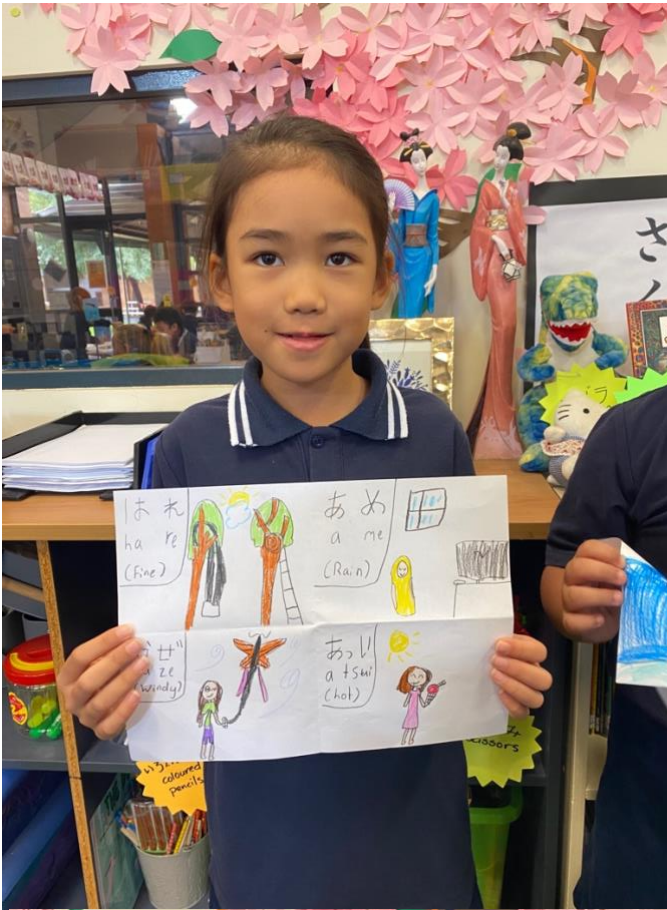

This lesson we learnt to read and write weather words in Japanese.

The learning goal of this lesson was to create simple print of a bilingual text in English and Japanese for the classroom environment, such as captions, labels and wall charts for a display to describe weather during this time of the year.

Key concepts: meaning, vocabulary, bilingualism;

Key processes: creating, matching, selecting] ([ACLJAC117 - Scootle](#))
