

Message from Wardah

This term has been really amazing with exciting and fun moments we have shared at OSH.

We welcomed new children in our service this term and they have settled well so far with support from their peers and educators.

We have received multiple positive feedbacks from families on our online platform and we will continue to work hard through collaboration with family and school community to maintain high standards.

Thank you, Families who have donated generously for our fundraising, we had on Week 7 and 8.

Well done to the Year 1 children who has been walking independently to our meeting point for OSH, they have shown maturity and understanding of safety protocols for coming directly to Osh meeting point after school finishes.

Our priority has and will always be children safety and wellbeing.

Rise then Shine Update

We have been focusing on providing healthy and nutritious breakfast every morning and during our breakfast club, children learn important life skills through preparing and serving food with educator assistance and supervision as well as safety and hygiene practices. Children also help build the menu each week by providing suggestions.

Children have really enjoyed doing art&crafts, engaging in board games, table tennis and Just Dance in the morning.

We also focused on implementing group games every morning to foster peer to peer relationship, sportsmanship as well as physical wellbeing.

Stay and Play Update

Term 2, we have been focusing on supporting children with their individual needs by collaborating with families to establish wellbeing plans, reflecting on our routines and activities to ensure we are maximizing learning opportunities for the children.

Our reflection has led to making routine changes for some of the children by taking them immediately for outdoor play to get their energy out, incorporating sensory resources and consistent discussion around being respectful of each other boundaries.

We also continued with our intentional teaching around safeguarding practices, body safety, personal bubbles this term.

Service details

Our contact details are:

<0400 891 294>

Other information:

Rise then Shine 7am to 8.30am

Stay & Play 3pm to 6pm

Community Updates

This term for our community project, we held 'The Smith Family Fundraising' who support Aussie Kids who need a helping hand with their education. Every dollar raised goes toward giving children the tools, resources, and support they need to thrive. We had a bake sale on Week 7 and a Handmade beading shop in Week 8 and every Dollar raised goes toward the Smith Family account. This was a successful event as the Osh Children put all their hard work and effort in the preparation and set up to make this event happen.

Happy Snaps

Attendance

Attendance has been going well this term as some days we have been fully booked. Morning has seen a raised in numbers on some specific days.

Afternoon we have observed higher numbers on Tuesdays and Wednesdays.

We encourage Parents to used their LOG IN details to create any bookings or cancellations.

We have 3 different type of bookings in our care so as to best cater Famillies needs.

Reminders

Email has been our platform of most important communications send through from Osh club, keep an eye on any updates.

If there is any update or changes in your child life, feel free to reach out to us by phone or email.

Have a great break and see you Term 3
